Employment Opportunity

Speech Language Pathologist

Sioux Valley Dakota Nation Education Department

Full – Time, Permanent

Position Summary: This position is in place to primarily serve children from ages 2-6. The Speech Language Pathologist performs all duties in accordance with the Mission, Vision, Values, Strategic Priorities, policies and procedures of SVDN Health. The Speech-Language Pathologist provides leadership in the care of clients contributing in the assessment, planning, development, organization, implementation and evaluation of all aspects of care related to the profession of Speech-Language Pathology in accordance with the Standards of Practice and Code of Ethics as set out for Speech-Language Pathologists by the College of Speech Language Pathologists and Audiologists of Manitoba. The Speech-Language Pathologist collaborates with the multidisciplinary team, clients, families, and external agencies regarding the care needs for the client in the community.

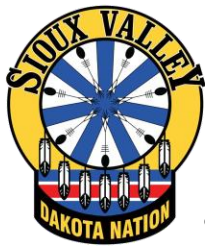

Position Duties:

- Organizes, prioritizes and assumes responsibility for his/her caseload. Applies Speech-Language Pathology knowledge and skills to provide optimum individualized and continuous assessment and treatment for clients assigned.
- Collaborates with clients on the planning, implementation, and progression of the treatment plan, providing education and counseling to the client and/or family member.
- Delegates activities and tasks to rehabilitation assistants as appropriate and in accordance with the treatment plan.
- Utilizes evidence-based practice and techniques within the scope of Speech-Language Pathology in the treatment of clients.
- Communicates, consults and collaborates with other health care professionals of the multidisciplinary team in the implementation of the treatment plan.
- Attends care conferences, discharge planning, multidisciplinary and team meetings as applicable.
- Liaises, consults and exchanges verbal and/or written information with external agencies in accordance with relevant policy and legislation.
- Supports and promotes health promotion and disease prevention and primary health care principles.
- Works collaboratively with management in proposing, planning and participating in the implementation of services and/or therapy programming.
- Keeps up to date with the policies and procedures of SVDN Health Department
- Other duties as assigned

Qualifications:

- Master's degree in Speech-Language Pathology from an accredited or approved university
- Full or provisional registrant with the College of Audiologists and Speech-Language Pathologists of Manitoba (CASLPM)
- Province of Manitoba Class 5 Drivers License
- Ability to work collaboratively as a team member
- Skilled ability in the assessment, identification and treatment of clients in varying ages and diagnosis
- Proficiency with Microsoft programs (Outlook, Word, Excel, Access and PowerPoint), as well as internet applications and other Information Technology
- Demonstrated leadership

This opportunity is open to all applicants; however, preference will be given first to citizens of Sioux Valley Dakota Oyate. We thank all those who apply, but only those selected for an interview will be contacted. For full job description, please email hrapplcations@svdngovernance.com to request a copy.

Sioux Valley Dakota Nation
